Years Experience

100%

ESG Compliance

A Purpose-Driven Consultancy

Built for Impact

PHI Resilience Strategic Management Services is a Philippine-based consultancy designing and implementing solutions for CSR, sustainability, and organizational resilience. We partner with businesses, nonprofits, and local governments to address climate change, disaster risk, inequality, and community vulnerability.

We specialize in integrating risk-informed CSR, early action protocols, pre-arranged financing, and innovative technologies — ensuring communities are protected before disaster strikes.
